Forecast for Monday 02 May 2022

Weather: Patchy low cloud and mist early morning, this lifting and clearing during the morning. Then bright with occasionally sunny spells and a scattering of showers. The showers most likely through the Trossachs and north to Glen Coe with the best of the sunshine towards the coast, over Mull and across to Moidart.

Chance of cloud-free hill tops above 800m: 40% becoming 80% in the afternoon, but lowering in any showers.

Low Cloud and visibility: Occasional or extensive cloud, base well down at first, but this lifting and clearing above the summits by afternoon, although lowering onto the summits in any showers. Visibility locally poor or very poor at first, but becoming mainly good or very good, except in showers.
